**County WPA Head
Promoted to S. J.**

W. R. Lawson, state WPA administrator, announced the appointment Tuesday of Robert W. Mead of Palo Alto, as acting branch manager, area 9, with headquarters at San Jose.

Lawson said that because of the pressure of business in the state WPA office in San Francisco, Lester Canady, who had been serving as acting branch manager at San Jose, had been recalled to his duties as state director of WPA operations in San Francisco.

Canady was sent to San Jose after the resignation of Col. Hugh Beaton. The San Jose office serves the counties of Santa Cruz, San Mateo, Santa Clara, Monterey and San Luis Obispo.

Mead had been serving as engineer in charge of WPA operations for San Mateo County. Lawson said the transfer would be effective immediately.

MENLO PARK NEWS NOTES

Mr. and Mrs. George Angus are motoring to Lake Tahoe to spend two weeks at that delightful place.

Mrs. A. Gale and her daughters, Susie and Dorothy, are at Spokane, Wash., on a brief vacation. They expect to spend some time at Butte, Mont., on their return home.

Miss Mary Carleton left Wednesday for Honolulu for a month's vacation.

Thomas Kearney, "one of the finest" on the local police force, is enjoying a vacation somewhere in California.

Frank Gainer, newly-elected superintendent of the Las Pulgas Mosquito Abatement District, is vacationing in the northern part of the state. He assumes the duties of his office Aug. 1.

Sheridan Downey, Atherton, a candidate for the United States Senate on the Democratic ticket, will shortly address the citizens of Menlo Park. Should Mr. Downey be elected, he would be the fourth senator chosen from this locality. Those previously elected were Senators Stanford, Felton and Shortridge. Mr. Downey has made his home in Atherton for some time.

The friends of John Z. Anderson, candidate for Congress on the Republican ticket from this district, are organizing an Anderson club here. Over 100 members have already signed the roll.

There are three candidates for the office of county engineer whose names bring to mind three public men who made a distinctive impression upon the people of the country during their time. They are U. S. Marshall, the ablest judge that ever occupied a seat on the U. S. Supreme Court; President U. S. Grant and J. Hendricks, who was a candidate for the vice presidency many years ago. The candidates seeking the engineer's job are U. S. Marshall, M. A. Grant and W. W. Hendricks.

**Landmark Razed
To Make Way For
Modern Building**

Demolition of the old frame structure which has been a landmark at the Arguello St.-Broadway intersection in downtown Redwood City for half a century was completed today.

In its stead soon will arise a modern store building, if negotiations now in process are completed.

The old building, in which Jose Roza has had a cafe and barroom for 38 years, also has housed Ted Seufert Jr.'s real estate and insurance office and Joe's Shaving Parlor. Seufert has moved to 2663 Broadway; the barber shop to 207 Marshall St.

Roza, who is now 82, is retiring. He has been in poor health since last October. Roza is one of the Peninsula's pioneers, having come to Half Moon Bay 65 years ago. Before moving to Redwood City he was in Santa Clara County for five years. He lives at 703 Winslow St.

Plans for the new building have been drawn but are not ready to be revealed as yet, according to the office of Julius Smith, local realtor who is handling the deal. It is expected that several local business firms will be housed in the new modern structure, which is located just across the street but a half block west of the building being built at Winslow and Broadway by Henry A. Beeger for the P. W. Woolworth Co.

**Motorcyclist
Dies Instantly**

Despite heaviest traffic of the season, San Mateo County highways were free of automobile crash fatalities over the week-end, but death took no holiday in nearby Santa Clara County.

Denzil Miller, 24-year-old San Francisco shipping clerk, was killed outright when his motorcycle collided head-on late Sunday night with an automobile five miles south of Palo Alto on El Camino Real, Francisco Sherwood, 21, San Francisco, riding with him, was seriously injured and was taken to Palo Alto Hospital.

Highway patrolmen said Cosme Guardado, 45, Santa Clara cannery employe, was driving the automobile. Officers said the motorcycle had applied its brakes for 108 feet before the impact but that Guardado evidently—judging from lack of skid marks—didn't use his brakes at all.

Earlier in the evening, Kay Byerrum, 21, Sunnyvale cannery worker, had her nose cut almost off when cars of Eddie Corbett, 470 Williams St., Palo Alto, and T. P. Maguire, 36, San Francisco, collided two miles south of Palo Alto. Others hurt were Bert, 16, Beverley, 13, and Rita Maguire, 40, all San Francisco.

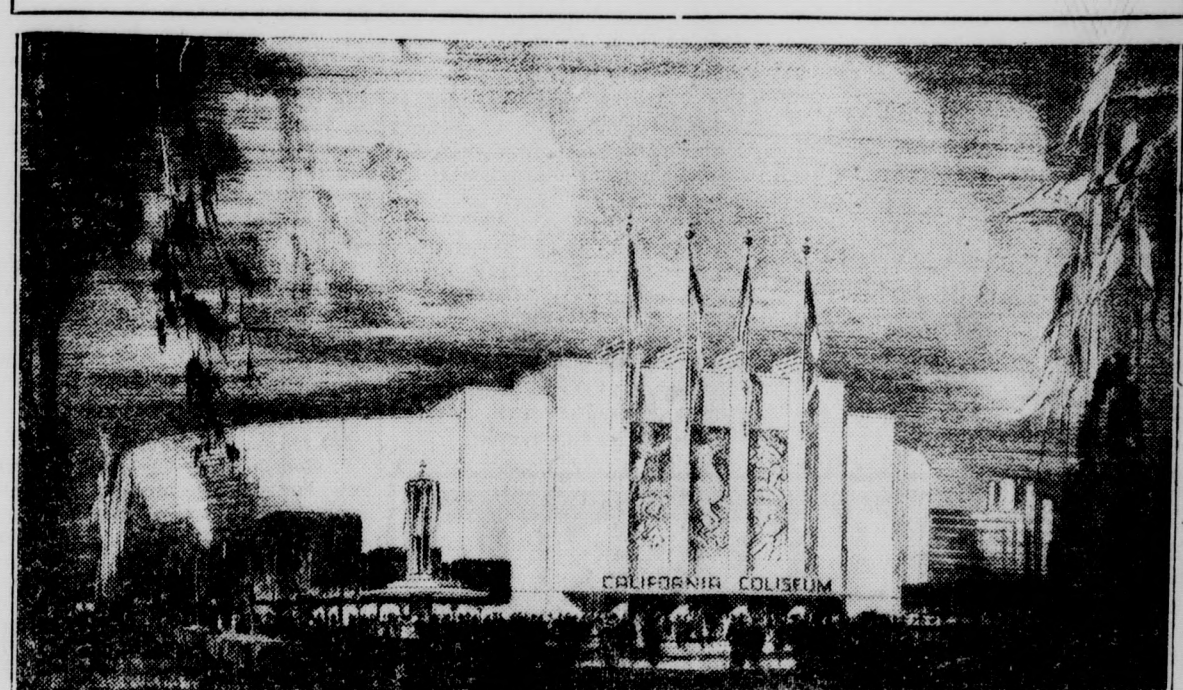

The heavy traffic was due in part to crowds returning from the Salinas rodeo, in part due to the perfect weather which lured thousands of motorists out for the week-end, patrolmen said.

PALO ALTO, July 20—The body of Herman S. Hinze, 58, was being returned to Palo Alto today from his Lake Forest Summer home near Tahoe City, where he died in his sleep from a heart attack yesterday.

Mr. Hinze, former San Francisco business man, lived at 1802 Fulton St. in Palo Alto. Since his retirement from business five years ago, Mr. Hinze had taken a keen interest

EXPOSITION LIVESTOCK COLISEUM

The above represents the first detailed view of the huge building to be erected on Treasure Island by the California State Commission, for the purpose of housing and displaying livestock shows and athletic and sporting events. Covering an average city block in area, the Coliseum will comfortably seat 8500 spectators. To the left, nearby, will be built one of the largest barns in the world, with facilities for 600 box stalls. These buildings will be the home of some of the fair's outstanding attractions.

Additional facts of interest in connection with the mammoth coliseum and livestock pavilion to be erected on Treasure Island by the California State Commission are today disclosed through a report from Commission headquarters.

As the accompanying picture—the first one available showing in detail the construction of the entire structure—discloses, the building is not only huge in proportions but also attractive and decorative.

Confronted with the problem of providing housing accommodations for thousands of blooded horses, cattle, sheep and swine, as well as dog, cat and poultry shows, the Commission and Exposition authorities have approved the design submitted above, plans for which were prepared by Sam Heiman, architect of San Francisco.

In addition to adequate facilities for the exhibition of livestock, it was essential that quarters be provided for important athletic and sporting events.

E. J. Fjeldsted, Chief of the Livestock Show for the Golden Gate International Exposition today announces that the dimensions of the display ring of the Coliseum—100 feet by 225 feet—will be greater than those of the famous Madison Square Garden arena in New York City.

Mr. Fjeldsted also states that to date 13 international livestock shows have been definitely contracted for the Exposition, with exhibits assured from every state in the Union, Canada, and all foreign wool producing countries. Negotiations now under way indicate that within two weeks two of the most important of America's dairy shows will be definitely signed up also.

Leading breeders of California, throughout the Eleven Western States and nation-wide express decided gratification that the State of California and the Golden Gate International Exposition are providing so thoroughly for the best interests of this most important industry.

Broker Faces Trial On Driving Charge

Cliff Lundborg, 37-year-old San Francisco broker who lives in Palo Alto, will face trial before Judge Edward I. McAuliffe July 29 on charges of driving while intoxicated. Lundborg was arrested by State Highway Patrolman Robert McInnis on Bayshore Hwy. near Redwood City.

The broker, McInnis said, was weaving through traffic in an erratic manner. Lundborg was booked at the county jail at 12:05 a.m. and released five minutes later on \$50 cash bail, the amount set by Judge Wade H. Clay of South San Francisco.

'Gold' Salesman Held After Finishing Term

Adiore Jasmer, the super-salesman who sold a gold-plated brass plaque to a Redwood City jeweler for \$56.15, was released from the county jail here after serving 90 days for petty theft, only to be faced by similar charges from Oakland.

Oakland police took him into custody as he left the county jail. Jasmer is wanted in Bakersfield, Fresno, Watsonville, and other California cities where other jewelers have fallen victim to Jasmer's salesmanship.

Plea To Expand Lumber Yard Denied

Application of Jack Kearns to rezone two lots in the Dumbarton Oaks Tract to expand his lumber yard business was rejected by the board of supervisors Tuesday after a spirited hearing in which Atty. Edmund Scott, representing Kearns, threatened court action on behalf of his client.

Nearly a dozen residents of the area rose to their feet when H. H. Smith, chairman of the board of supervisors, asked those who wished to protest the rezoning to stand.

Mr. and Mrs. John W. Erickson urged the board to make needed street repairs in the North Fair Oaks area. The request was referred to County Engineer U. S. Marshall for a report at the board's next meeting.

CHARGES ARE DISMISSED

Judge McAuliffe Tuesday morning dismissed the reckless driving charge against Fred O. Stalder, 21, 137 Anita Rd., Burlingame. Highway patrolmen asserted that Stalder was driving without due caution the evening of May 22 when his car overturned at Santa Cruz and Portola Rds., injuring himself and three passengers.

Sunday and Friday Concerts Announced

The second in a series of concerts will be held Sunday afternoon, July 24, from 3 until 4:30 o'clock at Emerald Lake Bowl, Alfred Morton, recreation director, announced today.

A string and woodwind ensemble of 18 to 20 local musicians, managed by Harold R. Landers, recreation aide, will perform. Jay Morris, violinist, will direct and also will present several solo performances.

Plans are under way to present an evening concert at Mezes Plaza a week from Friday, Morton said.

You'll ride longer for less in one of the Used Cars listed in the Tribune Want Ad columns.

Legionnaires Ponder Scouting Situation

Representatives of five American Legion posts met at the Belle Haven post's hall Monday to talk over the Boy Scout situation in San Mateo County, but came to no conclusion as to whether or not to interest themselves in the rift which resulted in formation of the San Mateo County Boy Scout Bet-terment League, Legion members reported.

Only conclusion reported reached was that the matter should be given further study and another session called soon to decide what action should be taken by the Legion, which is deeply interested in scouting and sponsors many troops in San Mateo County.

Assessment Roll Approved Unchanged

Concluding its sessions Monday, the county board of equalization adjourned sine die after approving without change the \$101,784,090 assessment roll submitted by Assessor Daniel P. Flynn. The figure excludes operative properties and exemptions.

The board of supervisors will meet at 11 a.m. tomorrow to receive bids on the \$45,000 San Carlos Elementary School District bonds, and to hear the petition of Millbrae property owners for widening and straightening of Millbrae Ave.

Reckless Charges Filed After Crash

Reckless driving charges were on file today against George E. Belver, San Francisco, as the result of an accident at 5:50 p.m. Saturday on Skyline Blvd. in which three persons were injured.

Complaining witness was Ralph G. Curry, Contra Costa County deputy sheriff, who told Dep. Dist. Atty. Louis B. Dematteis that Belver's car, rounding a turn on the wrong side of the road, hit Curry's machine one mile south of the Half Moon Bay intersection.

Injured were Frank Knight, 74, who lives near Redwood City; his

Billy Cook Is Cast In Tom Sawyer Film

MENLO PARK, July 18—Billy Cook, 12-year-old Menlo Park boy who is now with Paramount films, has been cast for a leading part in a 3-star children's production, "Tom Sawyer, Detective," according to word received here. Others in the cast will be Donald O'Connor, 13, and Billy Lee, 11. All three were in "Men With Wings" and are cast also in "Sons of the Legion."

wife, aged 70, and Mrs. Verencie Feeley of Martinez. All were treated at Mills Memorial Hospital for lacerations and contusions. Both of the Knights suffered possible rib fractures.

18 Plan To Join Bike Safety Club

Eighteen boys met with Joe A. Farr Monday and signified their intention of becoming charter members of the VFW-sponsored Bicycle Safety Club.

However, instead of electing officers and completing organization, the group decided to await arrival of membership application blanks and then meet again on an early Friday at the call of Farr, committeeman for the Veterans of Foreign Wars. It was decided meetings would be held on alternate Fridays at 7 p.m.

Considerable trade between Russia and China is still carried on by caravan.

Water Extension To Devonshire Urged

BELMONT, July 19—The Belmont County Water District commissioners last night directed Manager E. J. Curtis and Engineer Charles Morser to investigate possibility of supplying water to residents of upper Devonshire Heights, the Sierra Realty Co. urging such a move. Engineer Morser also was directed to seek WPA aid for the building of additional water extensions.

.... from the age
of 3!

When does a child start to read a newspaper? Here is the answer—obtained from a careful survey—and it will surprise you!

- youngsters of twelve read editorials through
- children eight years old scan the front page
- and the funnies are "looked at" by tots of three!

In a word, children read newspapers as soon as they can read at all. That gives a newspaper publisher a big responsibility and hands the editor a tough job.

We try to make our paper the kind of paper you will be glad to let your child read. We think of our children readers every day when we "make up" your Redwood City Tribune. There is news you want and need, occasionally, that you'd probably rather not have your children see. We try hard to put it where they won't see it. And we avoid sensational or suggestive headlines and news treatment for that very reason.

There's a lot of news and features that you and your children's teachers want your boys and girls to read: church activities, Boy Scout and Girl Scout news, club doings; news and features especially edited for your children. We try to put that kind of news where they will see it, with nothing near it unsuitable for boys and girls. Our biggest job is to keep the Tribune a family newspaper. It's not an easy assignment, but it is an important one!

Mr. Advertiser:

It's important to you, too, that we have made the Tribune a family newspaper—a newspaper that children can read. You know why it's important to you and we feel that you'll be glad to know we are going to continue that policy and improve on what we have already done.

Operator of Local Plant Reports Gain

Johns-Manville Corp. and subsidiary companies report for the six months ended June 30, 1938, a net loss of \$24,897, according to an announcement received here by E. S. Hurrell, manager of the local Johns-Manville plant, but for the three months just ended the company shows a net profit of \$239,475.

Operations of the company during the first six months of last year resulted in net earnings of \$2,811,333. Sales for the first six months of 1938 amounted to \$22,360,831, a decrease of \$7,430,645 or 25 per cent from the \$29,791,476 reported for the corresponding period a year ago.

Hurrell also announced that President Lewis H. Brown is issuing a mid-year edition of the reports to all members of the Johns-Manville organization.

Peninsula 'Job' Said Admitted

Two Redwood City youths who had been reported missing from their homes have been found in Santa Monica—in custody of police and having confessed, so the officers in the Southern California city say, to holdups in three states,

Nevada, Oregon and California. The boys are John Petersen of North Fair Oaks and Lyle Bush of 320 Stambaugh St. Petersen gave his age as 25 and Bush, 22, but Chief of Police C. L. Collins of Redwood City said both are younger.

J. Arthur Petersen told juvenile authorities nearly two weeks ago that his boy and Bush had left home the night of July 2. It was on that night, Santa Clara County deputy sheriffs report, that the

Fanucci garage in Mountain View was robbed. Bush and Petersen assertedly confessed to Santa Monica police that they were the robbers. The pair were taken into custody after a service station holdup in the southern city. A third youth, who they said was Frank Toles, 23, Mountain View, was believed wounded.

Three youths used a stolen Ford when they held up the Mountain View garage, but abandoned the machine 10 blocks away

for another. They were observed racing toward San Francisco in this car, but outdistanced San Carlos police. This machine was stolen from Sylvester F. Grundhofer, 204 Sheridan, Palo Alto, and on July 10 was found abandoned at Roseburg, Ore. It had been set on fire and there were bullet holes through the gasoline tank. The local boys face trial in Santa Monica, but "hold" orders

were placed by the Santa Clara County sheriff's office in connection with the Mountain View "job," which brought the boys \$35.57 after they threatened Stephen Bieda, the attendant.

FACES DRIVING TRIAL
Thomas Pakis, 49, 132 Hillcrest Drive, Redwood City, will be tried July 29 in Judge Hugh F. Mullin's court in San Mateo on charges of driving while drunk. He was arrested last night by State Highway Patrolman Neil Porter on Bayshore Hwy. near San Mateo. Pakis was released on \$50 cash bail.

WEEKLY HOUSEHOLD SUGGESTION

Garbage Disposal

Line garbage can with several thicknesses of newspaper, drain all wet garbage and wrap well in paper before placing in can. This will insure a sanitary condition around your can, discourage ants, eliminate unpleasant odors and lengthen the life of your can.
